

# Children's Private Party Groups

The 300m Junior circuit can be pre-booked any day (except Monday) during public opening hours for private children's parties using 4 to 8 karts for 20, 40 and 60 minute sessions. Up to 4 tandem karts can be used instead of single seater karts (an extra fee is required).

From experience we strongly advise only booking 20 minutes per driver. The time booked is for one continuous session after the karts first start onto the track. Parents can organise the children into groups or heats but it is best value to keep them in their karts as long as possible since you would lose about 3-4 minutes per changeover. Please inform the track marshals as to when drivers are to be changed with a pit stop.

A non refundable deposit of 50% is required to secure the booking with the balance payable on the day.

Number of karts	20 mins	40 mins	60 mins
4	£55	£100	£145
5	£70	£125	£180
6	£85	£150	£215
7	£100	£175	£250
8	£115	£200	£285
To swap to a tandem add £5 per kart per 20 mins			

## Restrictions for use of karts

**Single seater** - Minimum age 8 years  
Minimum height 4'4" (132 cm)

### Tandem kart -

Driver - Parent or legal guardian  
min age 18 years

Passenger - Min age 4 years  
(must be a safe fit in seat harness)

**Note.** Groups should aim to arrive a minimum of 15 minutes before the booked start time to allow for suiting up and briefing.

If parents wish to bring their own catering then we have a few outside picnic tables for them to use free of charge. If no endurance races are running on the pro-kart circuit then the corporate room is also available for £10 per half hour. Please clear up and take rubbish away with you afterwards.

## Owner Drivers

Weekdays only - maximum 10 karts on circuit

**Karts** - Four stroke only, fully silenced - no 2 strokes  
recognised chassis and max 78db @ 3600rpm exhaust noise

**Drivers** - Max 2 drivers registered per kart. Min age 8 years (and kart to suit)  
Full gear to be worn while driving on circuit (helmet + race suit + gloves)

**Cost** - £20 per kart for half day, £35 for full day

**Note** - All karts will be required to leave circuit while our A&D customers are running.  
Please telephone for availability.

The full balance is due before race commences

***(warning - deposits may be lost and races cancelled if drivers arrive late !)***

## **Pre-booking is necessary - at least 7 days in advance !**

Catering is available - please checkout our website or ring for details.

---

## Endurance race

Minimum 5 teams (8 at weekends)  
Maximum 14 teams

### **Description**

Endurance racing is a team race where the group is split into a number of teams, each team running their own kart. The object is to cover the greatest number of laps with the kart during the time allowed. There is only one long race (after practice) during which team members take turns to drive their team kart, swapping with brief pit stops as necessary, each driver having two or more turns at the wheel. For extended races there are also timed petrol stops every 90-120 mins to contend with.

The winning team is the one completing the most laps.

Trophy medals are given to each member of the winning team.

**Format** - 5 minutes practice per person in team then remaining time as one long endurance race.  
(ie for 2 driver team = 10 mins practice, 50 mins race)

Minimum duration 60 minutes including practice  
Minimum 2 persons per team  
Maximum 3 persons for 60 min booking  
(or max 5 persons if at least 120 mins race)

**Costs** - £70 per team for minimum 60 minutes race (inc. practice)  
*extra time (when available) £10 per 10 minutes per team*

## Double Sprint race

Minimum 8 drivers (10 on Saturdays, 14 on Sundays)  
Maximum 14 drivers

### **Description**

The double sprint is similar to our Arrive&Drive format but with this you can pre-book a private session. It consists of two 15 minute sprint races with a short break in between. Races will begin with a staggered start from the pits and be scored on fastest lap.

Trophy medal to fastest driver, all drivers get individual print outs of lap times

**Format** - 2 sprint races of 15 minutes each.

**Costs** - £35.00 per driver.

---

## Triple Sprint race

Minimum 5 drivers (7 at weekends)  
Maximum 14 drivers

### **Description**

The triple sprint is similar to a grand-prix format but with longer duration races. After a short practice session to familiarise the drivers with the karts and circuit there are 3 sprint races with a short break in between. The start order of the first race is based on practice results, fastest at pole, the second and third races use the finish order of the previous race in reverse.

The winner is the driver who has the highest aggregate score from all three races.  
Trophies are given to the first three places.

We will weight the karts based on the average driver size so as to even out the differences between the lightweights and heavyweights.

**Format** - 5 minutes practice then 3 sprint races of 15 minutes each.

**Costs** - £70 per driver.

---

## Survivor race

Minimum 5 drivers (8 at weekends)  
Maximum 14 drivers

### **Description**

The survivor race (also known as "iron man") is a trial of stamina as well as skill. After a short practice session to familiarise the drivers with the karts and circuit there is just one long continuous race. After the first 20 to 30 minutes the discomfort starts to set in and you will realise why we call this the survivor race.

The winner is the driver who completes the most number of laps.  
Trophies are given to the first three places.

We will weight the karts based on the average driver size so as to even out the differences between the lightweights and heavyweights.

**Format** - 5 minutes practice then 50 minutes race.

**Costs** - £60 per driver.
